Explanation

Statement 1: The statement mentions that David Gura is trying to buy a book before it gets broken up

On the contrary, you can find in the passage that only a single page from a medieval manuscript went up for sale. It can be seen that David Gura is one of the people trying to buy the page. (**FALSE**)

Statement 2: It is a straightforward question and can be easily seen that David Gura works for the

University of Notre Dame. Highlighted keywords also matched. (**TRUE**)

Statement 3: It is stated that only a small number of pages remain of The Book of Hours.

Yes, there are remaining pages, but it is difficult to conclude from the passage whether they are less or more. (**NOT GIVEN**)
