

Answers are:-

1) **MARRIED LIFE** :- it is clearly written in the passage that bride's guests prepare her for married life and advice her means give her recommendations (advices) as asked in the question.

2) **TEMPLE** :- it's a correct answer as question contains 'IN' preposition, the passage tells wedding ceremony is conducted in temple or at bride's home, so to place bride's home as an answer, there should be 'AT' preposition before the blank.

3) **PROSPERITY**:- it has been written in the passage that the jewels of bride symbolise prosperity, and the question has asked the same with its synonym 'represent'

4) **SYMBOLIC** :- the passage contains the information that the mixture used to apply to the whole body, has become symbolic presently, the question contains its synonym 'these days' and saying it is just symbolic now.

5) **RIGHT FOOT FIRST**:- The question is saying it is important for the bride to go with her....., if you write luck where it has been written in the passage that bringing luck is important for her while entering, it is just expected to if she enters with her right foot first which has been said in the passage with 'should' means important so entering with right foot first is important.
