

ANSWER

1) **Paschal eggs** :- as it is given in the passage that Easter eggs are also famous as paschal eggs means it's their another name.

2) **chicken eggs**:- the passage tells it was tradition to use chicken eggs means talking about past means formerly these eggs were used.

3) **Fertility, rebirth**:- the question asked what is represented 'on the whole' means generally eggs represent fertility and rebirth but you need to remove 'and' as the question demands to have only two words.
